SANDULON DESIGN CONSULTANCY (PTY) LTD

Master Commercial Price List & Supply Chain Specification (2026)

1. Operating Cost Architecture

All retail unit prices are calculated using Sandulon's consolidated manufacturing model powered by **Brands UP (Sandton)** as the primary supplier for blanks and printing, featuring door-to-door logistics powered by **The Courier Guy** (with free delivery on orders over R1,200).

- **Primary Shipping Partner:** The Courier Guy (Standard Overnight Flyer / Local Door-to-Door = R45.00, FREE on orders over R1,200 via Brands UP supplier policy).
-
- **Alternative Shipping Option:** PUDO Locker-to-Locker (R60.00 flat rate, available upon client request for a R25.00 reduction per order).
-
- **Design Fee Allocation:** Standard R50.00 fee covers asset intake, print-ready vector preparation, and 1 design revision cycle.

5. Commercial Terms & Standard Operating Procedures

1. **Payment Terms:** All custom print and production orders require **100% payment upfront** prior to asset transfer to print production floors.
2. **Turnaround Time:** The standard production timeline is 10-15 business days from final proof approval, followed by 24–48 hours transit via The Courier Guy.
3. **Spoilage Buffer:** A standard 5% replacement pool buffer is pre-factored into all Brands UP raw material sourcing calculations.
4. **Custom Artwork & Re-vectoring:** Complex graphics requiring full manual re-vectoring or logo recreation beyond standard layout adjustment will incur a setup charge of **R250.00 (excl. VAT)**.
